

Thank you for your consideration in becoming a Corporate Sponsor for the Desert Mountain High School Boys Basketball program. The DMHS Boys Basketball Booster Club (“Wolfpack Boosters”) is a non-profit 501(c)(3) organization, allowing 100% of all contributions to be tax deductible for the contributing party. All proceeds raised go directly back into the basketball program, funding needed items such as:

- Resurfacing the main gymnasium floor and installing upgraded wall safety pads
- Supplying new training equipment and uniforms to the teams
- Construction of a new team locker room

There are two levels of Corporate Sponsorship available for the 2010-11 season:

HOME GAME CO-SPONSOR (\$500)

*A 4’ X 6’ company banner will be installed in the main gymnasium. This will remain up the entire school year. In addition, your company will be featured as co-sponsoring one home game for the 2010-2011 season. During your game, your company will have an opportunity to pass out coupons, samples, or other pre-approved materials.

HOME GAME SPONSOR (\$1,000)

*A 4’ X 6’ company banner will be installed in the main gymnasium and your company will be featured as a home game sponsor for a game during the 2010-2011 season. During your game, your company’s banners will be displayed behind both backboards and your company will have an opportunity to pass out coupons, samples, or other pre-approved materials.

In addition, all Corporate Sponsors will have their company logo published in all boys basketball related programs, schedules, yearbooks, and on its team website.

Once again, thank you for considering a Corporate Sponsorship for Desert Mountain High School Basketball.

Please feel free to contact me at chamexfed@msn.com or 602-550-7086 should you have any questions. On behalf of the Wolfpack Boosters, we look forward to proudly displaying your logo during this season’s quest for a championship!

Sincerely,

Sandy Taylor
Corporate Liaison
