## **TAKE SOME CREDIT AND HELP SUPPORT DESERT MOUNTAIN HIGH SCHOOL BASKETBALL!**

Did you know state law allows you to get a tax credit up to \$200 for single filers and \$400 for married filers for contributions to a public school designated for extracurricular activities? This means taxpayers may help the Desert Mountain High School Basketball program by specifying that contributions be deposited directly into the basketball tax credit account and reduce their state tax bill at the same time. Please see your tax advisor for specific tax advice.

### **How is the money used?**

The money is used to purchase uniforms, practice jerseys, programs, yearbooks, equipment, video taping of games, and off season tournaments and leagues.

### **Who can take advantage of this opportunity?**

Anyone who pays Arizona State income tax can do this. You do not need to have a child at the school. Friends and relatives can participate also. Simply contribute and claim the tax credit when filing your 2008 Arizona State Income Tax Return.

If you must pay taxes anyway, why not help the DMHS Basketball Program at the same time? Please complete and return the form below. Call Tim Smith at 480-451-9594 if you have any questions.
